## **GREYHOUND TRUST**

### **REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2022**

The Trustees present their annual report together with the audited financial statements for the year 1 January 2022 to 31 December 2022. The Trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

#### **STRUCTURE, GOVERNANCE AND MANAGEMENT**

##### **Governing document**

The governing document of the charity is the Deed of Trust, which was signed on 5 June 1975, which formed the 'Retired Greyhound Trust' as an unincorporated charity, the Greyhound Trust has charitable status in both England & Wales (charity number 269228) and Scotland (charity number SC044047). The Greyhound Trust moved to a Corporate Trustee governance structure on 21 June 2018; as such the Directors of Greyhound Trust Trustee Limited (the Corporate Trustee) make decisions on behalf of the Corporate Trustee. All references to Directors refer to Directors of the Corporate Trustee. All references to Trustees refer to the Corporate Trustee. The Trust Deed was further updated as a conformed Trust Deed on 16 October 2020.

##### **Recruitment and appointment of trustees**

In accordance with good practice, new members of the Board are appointed by Directors to maintain or augment the range of skills and experience appropriate to the needs and activities of the Charity and are appointed by way of majority vote by existing Board Members, on behalf of the Corporate Trustee.

New Directors are inducted by the Chairman and Chief Executive and are encouraged to visit the National Support Centre and a Branch/Branches, in order to gain a good understanding of the structure of the charity and how day to day homing operations are conducted.

##### **Decision making**

The day to day management of the Greyhound Trust is delegated to the Chief Executive, Lisa Morris and through her to the Senior Management Team. The Chair of Directors and key Officers support the Chief Executive, which forms the link with the Board of Directors and ultimately the Corporate Trustee body.

The Board of Directors is required to conduct the affairs and the general business of Greyhound Trust on behalf of the Corporate Trustee and meets at least quarterly. During the period of the Covid-19 pandemic, the Directors met in addition to the standard timetable of meetings to ensure that close oversight of the charity took place during what was the most challenging time for the charity in its history.

The Directors review financial and operational trends measured against the annually approved budget. Key Performance Indicators (KPIs) and RAG ratings are in place to assist this process of reporting by the Executive and monitoring by the Directors.

##### **Related parties**

Greyhound Trust operates a wholly owned trading subsidiary named Greyhound Events Ltd, which is a limited company registered with Companies House and which has its own Board of Directors including an Independent Director, which meets throughout the year. Its business is presented to the Board of Directors as an information item throughout the year.

## **GREYHOUND TRUST**

### **REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2022**

#### **Risk management**

Directors review areas of risk across the whole range of the charity's activities and there is an active and regularly reviewed risk register. The annual budget and business planning processes include reviews and assessment of the possible risks to the charity, the consequences of those risks and plans to mitigate their effects on delivery of the charitable objectives. Any significant changes in risk are discussed by the Directors and appropriate risk mitigation agreed, recorded and monitored as part of the risk management process.

A series of procedures and controls are maintained to reduce risk to the charity, with comprehensive Director and professional indemnity, public liability and employer liability insurances in place.

#### **Funds held as custodian for others**

No funds are held as custodian on behalf of others (other than Greyhound Trust Branches who all operate under the Greyhound Trust Charity Number).

#### **OBJECTIVES AND ACTIVITIES**

The Greyhound Trust vision is "a day when all racing greyhounds retire to loving homes and are treated with compassion and kindness".

Having been established as an independent charity by the greyhound racing industry in 1975 to home retired racing greyhounds, the charity has homed well over 130,000 retired racing greyhounds and despite very complex homing conditions linked to the financial crisis, homed 1,911 greyhounds in 2022.

We are active members of the UK Greyhound and International Greyhound Welfare Forum; providing opportunities to engage with relevant stakeholders and contribute to the development of relevant policies, in line with our objectives.

Greyhound Trust operate an inclusive approach and we work with a wide group of stakeholders; including welfare charities, homing organisations and those involved with and representing the greyhound racing industry. We believe that this inclusive approach maximises the positive impact for the greyhounds that we

Our mission is to provide bright futures and loving homes for retired racing greyhounds, by:

- Helping greyhounds transition from racing and matching them to home where they will thrive in their retirement, and;
- Caring for and re-homing other greyhounds in need, and;
- Providing post adoption support to maximise the success of each greyhound homed.

We further our charitable objectives and ensure our direct public benefit by:

- Facilitating the homing of retired greyhounds via our National Branch network;
- Raising the profile of greyhounds retiring from racing and promoting their suitability as pets and companions.
- Working with other charitable organisations to promote greyhound welfare and find suitable homes for greyhounds;
- Facilitating positive human impacts by facilitating volunteering, educational and therapeutic outreach using greyhounds suitable for experiences with children, the elderly, those with additional/special needs and those who are unwell and terminally ill.

Public benefit underpins the Charity's work and all charitable Directors have due regard to the Charity Commission's public benefit guidance when they exercise relevant powers and duties.

**GREYHOUND TRUST**  
**REPORT OF THE TRUSTEES**  
**FOR THE YEAR ENDED 31 DECEMBER 2022**

**ACHIEVEMENTS AND PERFORMANCE**

The Board of Directors and Senior Management Team wish to record our thanks to all staff, volunteers and supporters for their commitment and support to Greyhound Trust and the greyhounds in our care during such a challenging year for homing which was linked to the post Covid-19 era and the emerging financial crisis.

Despite Greyhound Trust having experienced the hardest homing year in its 48-year history, against the odds, 1,911 retired greyhounds found their forever homes through the hard work and dedication of all those involved with Greyhound Trust.

**FINANCIAL REVIEW**

As a charity we are entirely dependent on voluntary contributions to cover the cost of all Greyhound Trust activities, and are extremely grateful to the many thousands of individuals that supported our vital work in 2022, by making a donations, pledging a legacy, homing a greyhound or helping us raise awareness that greyhounds make great pets. The charity received significantly reduced income from the Greyhound Racing Industry in 2022 via its GRS scheme.

Summary of the results for the year and the resources deployed at 31 December 2022 is as follows:

	<b>2022</b>	<b>2021</b>
	<b>£</b>	<b>£</b>
Total income	3,541,415	3,678,827
Charitable activities	2,433,721	2,732,010
Cost of generating funds	114,168	108,960
Cost of sales trading entity	33,369	33,158
Expenditure of trading subsidiary	182,409	174,895
Net movement in funds	777,748	629,804
(Decrease)/Increase in value of investments	-4,536	11,500
Total funds at 1 January 2021	5,809,400	5,168,096
Net increase in funds	773,212	641,304
Total funds at 31 December 2021	6,582,612	5,809,400

**GREYHOUND TRUST**  
**REPORT OF THE TRUSTEES**  
**FOR THE YEAR ENDED 31 DECEMBER 2022**

Expenditure for the year including all overheads was £2,763,667 which facilitated the homing of 1,911 retired racing greyhounds. It is difficult to indicate an estimate for the cost of homing a greyhound, as costs vary significantly depending on the medical, wellbeing and behavior needs of each greyhound. The crude high-level average of £1,447 per dog (expenditure divided by the number of dogs homed) reflects the complexity of the activities of Greyhound Trust where some dogs can stay in kennels for over six months and others may need expensive medical treatment.

Coming through the pandemic has in many respects been more challenging for dog homing than the pandemic, with homing demand dropping to an all-time low, fueled by high inflation and general financial instability. Greyhounds have therefore stayed longer before finding a home and all of our costs have risen. It is therefore unsurprising that the cost of homing a greyhound has increased (2022: £1,447; 2021: £1,069).

The Fund balance at 31st December 2022 stood at £6,582,612 (2021: £5,809,400) consisting of unrestricted funds (non-Branch) £6,195,538, restricted funds held locally at Branch level £260,324, and restricted funds £126,750. The £6,195,538 unrestricted funds include fixed assets of £3,997,891, with the remaining £2,197,647 being other central unrestricted funds.

The Trust's wholly owned trading subsidiary: Greyhound Events Ltd made a small loss, further compounded by a staff recharge from Greyhound Trust and was unable to gift any profit to the charity this year (2021: £1,575). Recharge amount for the year, followed methodology stated in the debenture agreement, which stands at 15% of Finance Officer role and 5% of the Head of Finance role, which equates to £10,150.

#### **Reserves policy and objectives**

The Trustee sets a reserves policy and the Board of Directors review it, as per Charity Commission guidance, and manage the dynamic fluctuations of the charity by adhering to the guidance to "regularly monitor and review the effectiveness of the policy in the light of the changing funding and financial climate and other risks". This means that decisions around the reserve levels are reviewed and adapted in line with the charity's needs, having assessed risks and benefits of different courses of action.

The Charity's reserves policy (reviewed in 2020) is to hold the equivalent of six months planned expenditure (based on previous years submitted accounts), but to take into account the Charity Commission guidance in respect of managing the dynamic fluctuations and needs of the charity. This contingency is not intended solely as a pot of money that allows Greyhound Trust to survive a funding crisis for 6 months. It is to provide a financial buffer that permits the Board to pay outstanding debts, assess the current circumstances and decide upon the best strategy going forward, which may be business as usual, or may include changes to operating models and cost base.

#### **Future plans**

This annual report is being written at a time when Greyhound Trust, like many organisations, are being negatively impacted by the post pandemic operating environment. It is unclear for how much longer the widespread challenges around the economy, inflation and cost of living will continue to impact on income and homing activity. Greyhound Trust expects these challenges to continue into 2023 and beyond and will continue to review performance and adapt our operating model where possible to minimise impact.

## **GREYHOUND TRUST**

### **REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2022**

2022 income from the GBGB GRS stood at 11.5% of total income in the year, which represents a 2.5% decrease in funding from the GBGB (2021:14% of total income), but a more reflective non pandemic skewed comparison would be to compare the 2022 figure of 11.5% to the 2019 figure of 37%.

The charity expects the post pandemic financial instability to continue throughout 2023, so the Trust's primary objectives for the coming year are based on ensuring agility to the changing demand for homing services, whilst maintaining good sustainability for the future.

The positive net movement in funds for 2022 ensures that the charity is in a strong position to increase homing when the operating environment is conducive of this. Funds over and above our reserves policy will be strategically allocated in a way that offers greater long-term stability to Greyhound Trust operations in line with its longer term strategy.

Given the uncertainty of 2023, the decision has been made to focus on maintaining stability of our day-to-day work of homing greyhounds, promoting the sustainability of greyhounds as pets and raising awareness of the work of the Greyhound Trust.

We anticipate that a clear focus on these key areas will both enable the charity to adapt and thrive in the uncertain operating environment, whilst also providing the foundations for the longer-term sustainability and growth of Greyhound Trust.

**GREYHOUND TRUST**  
**REPORT OF THE TRUSTEES**  
**FOR THE YEAR ENDED 31 DECEMBER 2022**

**STATEMENT OF TRUSTEES RESPONSIBILITIES**

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust Deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report was approved by the Directors of the Corporate Trustee, on 25 September 2023 and signed on their behalf by:

---

**Chairman of the Greyhound Trust Board of Directors**  
**For and on behalf of Greyhound Trust Trustee Limited**

## **REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF GREYHOUND TRUST**

### **Opinion**

We have audited the financial statements of Greyhound Trust (the 'charity') for the year ended 31 December 2022 on pages 11 to 26, which comprise the Statement of Financial Activities, the Balance Sheet, the Cashflow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2022 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011
- have been prepared in accordance with the Charities and Trustee Investment (Scotland) Act 2005 and regulation 8 of the Charities Accounts (Scotland) Regulations 2006 (as amended).

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

### **Other information**

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion of the financial statements does not cover the other information and we do not express any form of opinion or assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF GREYHOUND TRUST

### **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements ; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

### **Responsibilities of trustees**

As explained more fully in the Statement of Trustees Responsibilities, the trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

### **Auditors' responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Report of the Independent Auditors.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

From discussion with management and those charged with governance information about the entity is documented to assess the activity within the organisation. We discuss managements assessment of risk in respect of irregularities, fraud and going concern.

Based on these discussions and our own assessments we determined that the key risk areas were income recognition in respect of cut off issues concerning income recognition and management override concerning the size of the organisation.

We set financial statement materiality level based on the level of income. As a not for profit organisation raising income is its primary focus which is why income was used to determine the level of materiality. Our overall assessment of risk was used to determine performance materiality at an appropriate level

**REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF  
GREYHOUND TRUST**

Substantive audit tests were designed after assessing and testing systems and controls. The systems and controls which have been designed to act as a preventative measure against fraud and error were operating as documented. Substantive testing tested a sample of the population, representative of the population, to identify errors. The testing did not identify any material misstatements in areas tested.

Audit substantive tests concluded no material errors over the key risk areas of income recognition and management override.

The audit considers the organisation is not exposed to material risk of error as a result of assessing laws and regulations that are appropriate to the organisation.

Management assessed there is no going concern risk. The audit undertook a review of budgets, management accounts and the review of board minutes and came to the same conclusion as management.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). The description forms part of our Report of the Independent Auditors.

**Use of our report**

This report is made solely to the charity's trustees, as a body, in accordance with Section 144 of the Charities Act 2011 and regulations made under Section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

## GREYHOUND TRUST

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022

#### 1. ACCOUNTING POLICIES

##### **Basis of preparing the financial statements**

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

Greyhound Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

##### **Critical accounting judgements and key sources of estimation uncertainty**

The critical judgement that the Trustees have made in the process of applying the charity's accounting policies that have the most significant effect on the amounts recognised in the statutory financial statements are discussed below:

##### Assessing indicators and impairment

In assessing whether there have been any indicators or impairment of assets, the Trustees have considered both external and internal sources of information such as market conditions, counterparty credit ratings and experience or recoverability. There have been no indicators of impairments identified during the current financial year.

##### Key sources of estimation uncertainty

Due to the straight forward nature of Greyhound Trust's business, the Trustees do not believe that there are any estimation uncertainty's that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

##### **Group financial statements**

The financial statements consolidate the results of the charity and its wholly owned subsidiary Greyhound Events Ltd on a line-by-line basis. A separate Statement of Financial Activities and Income and Expenditure Account for the charity has not been presented because the Trust has taken advantage of the exemption afforded by section 408 of the Companies Act 2006.

##### **Income**

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probably that the income will be received and the amount can be measured reliably and not deferred.

For legacies, entitlement is taken as the earlier of the date on which either: the charity is aware that probate has been granted, the estate has been finalised and notification has been made by the executor(s) to the Trust that a distribution will be made, or when a distribution is received from the estate.

## GREYHOUND TRUST

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022

#### 1. ACCOUNTING POLICIES (continued)

Receipt of a legacy, in whole or in part is only considered probable when the amount can be measured reliably and the charity has been notified of the executor's intention to make a distribution. Where legacies have been notified to the charity, or the charity is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material.

#### **Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Irrecoverable VAT is charged at a cost against the activity for which the expenditure was incurred.

#### **Allocation and apportionment of costs.**

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include back office costs, finance, personnel, payroll and governance costs which support the Trust's programmes and activities. These costs have been allocated between cost of raising funds and expenditure on charitable activities. The bases on which support costs have been allocated are set out in note 9.

#### **Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property (excluding property purchases)	- 2% on cost
Office equipment and kernel assets	- 20% on cost
Motor vehicles	- 25% on cost

#### **Stocks**

Stock is included at the lower of cost or net realisable value. Donated items of stock are recognised at fair value which is the amount the charity would have been willing to pay for the items on the open market.

#### **Taxation**

The charity is exempt from tax on its charitable activities.

#### **Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

## GREYHOUND TRUST

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022

#### 1. ACCOUNTING POLICIES (continued)

##### **Hire purchase and leasing commitments**

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the period of the lease.

##### **Pension costs and other post-retired benefits**

The charity operated a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

##### **Financial Instruments**

Financial assets and liabilities are recognised when the charity becomes party to the contractual provisions of the financial instrument. The company holds basic financial instruments which comprise cash at bank, trade and other receivables and trade and other payables.

Financial assets - classified as basic financial instruments

##### Cash at bank and in hand

Cash at bank and in hand include cash in hand, deposits held with banks, and other short-term highly liquid investments with original maturities of three months or less.

##### Trade and other receivables

Trade and other receivables are initially recognised at the transaction price, including any transaction costs. Amounts that are receivable within one year are measured at the undiscounted amount of the cash expected to be received, net of any impairment.

At the end of each reporting period, the charity assesses whether there is objective evidence that a receivable amount may be impaired. A provision for impairment is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables. The amount of the provision is the difference between the asset's carrying amount and the present value of the estimated future cash flows, discounted at the effective interest rate. The amount of the provision is recognised immediately in profit or loss.

Financial liabilities - classified as basic financial instruments

##### Trade and other payables and loans and borrowings

Trade and other payables and loans and borrowings are initially measured at the transaction price, including any transaction costs, and subsequently measured at amortised cost using the effective interest method. Amounts that are payable within one year are measured at the discounted amount of the cash expected to be paid.

##### **Going concern**

The Trustees continue to believe that the Greyhound Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason, the Trustees have continued to adopt the going concern basis in preparing the financial statements.

**GREYHOUND TRUST**

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2022**

**2. FINANCIAL ACTIVITIES OF THE CHARITY**

The financial activities shown in the consolidated statement includes those of the charity's wholly owned subsidiary, Greyhound Events Ltd.

A summary of the financial activities undertaken by the charity is set out below:

	2022	2021
	£	£

**21. LOANS**

An analysis of the maturity of loans is given below:

	<b>Group 2022 £</b>	<b>Group 2021 £</b>	<b>Charity 2022 £</b>	<b>Charity 2021 £</b>
<b>Bank loans</b>				
Amounts falling due within one year	<u>20,329</u>	<u>20,329</u>	<u>20,329</u>	<u>20,329</u>
Amounts falling due between one and two years	<u>20,695</u>	<u>20,695</u>	<u>20,695</u>	<u>20,695</u>
Amounts falling due between two and five years	<u>64,347</u>	<u>64,347</u>	<u>64,347</u>	<u>64,347</u>
Amounts falling due in more than five years	<u>283,268</u>	<u>310,766</u>	<u>283,268</u>	<u>310,766</u>
	<u><b>388,639</b></u>	<u><b>416,137</b></u>	<u><b>388,639</b></u>	<u><b>416,137</b></u>

The loan carries an interest rate of 1.8% per annum and the final repayment date is 20 years after the initial drawdown on 8 August 2039.

The secured bank loan is secured on the Croft View property, which had a purchase price of £520,000. The terms of the security provide for the lender to claim title to the property in the event of a default on principal and interest payments in the event that a restructuring of the loan is not agreed.
