

Greyhound Trust Lottery

Rules of Play

Please read these rules which relate to your participation in our monthly subscription Greyhound Trust Lottery Draw ("Rules of Play") carefully. They supplement our [Lottery Terms and Conditions](#).

1. LOTTERY CHARGE

Entry into each monthly draw costs £10.

2. PRIZES AND OTHER BENEFITS

The Lottery

2.1.1 Participating in the Greyhound Trust Lottery means you are in with a chance of winning:

1st prize - £5,000 and a chance to win the Rollover

2nd prize - £2,000

3rd prize - 10 x £100

2.2 The Rollover

2.2.1 The rollover is a sum of money potentially available to the 1st prize winner. It accumulates each month that it isn't won, so the value of the rollover can vary considerably.

2.2.2 Each month, 3% of the ticket sales for that month's draw are added to the rollover. If the rollover was won in the last Greyhound Trust Lottery draw, the rollover will be limited to 3% of the ticket sales for that month's draw. If the rollover hasn't been won for 5 months, the rollover will be an accumulation of the rollovers for those 5 months.

2.2.3 The maximum pay-out (1st Prize and Rollover combined) can be no more than £25,000. As the 1st Prize is £5000 then the rollover is capped at £20,000. During the period the maximum rollover fund is unclaimed, a second rollover fund builds. This fund becomes active as soon the first rollover pot is won.

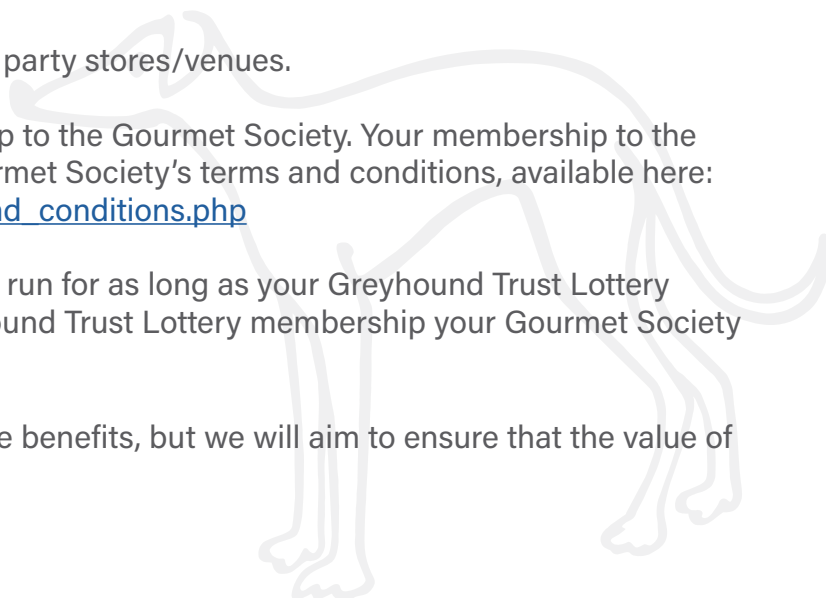

2.4 Additional Benefits

2.4.1 You also benefit from discounts at third party stores/venues.

2.4.2 Additional benefits include membership to the Gourmet Society. Your membership to the Gourmet Society shall be subject to the Gourmet Society's terms and conditions, available here: https://www.gourmetsociety.co.uk/terms_and_conditions.php

2.4.3 Gourmet Society membership will only run for as long as your Greyhound Trust Lottery membership. Should you cancel your Greyhound Trust Lottery membership your Gourmet Society membership will automatically be cancelled.

2.4.4 We may from time to time change these benefits, but we will aim to ensure that the value of these benefits is not materially reduced.

2.4.5 If you are not happy with a change, please note that you can cancel your membership on 30 days' notice.

3. HOW TO PLAY

Playing our monthly Greyhound Trust Lottery Draw is incredibly easy.

3.1 To start playing, please register. Registration is a simple process, done via our site. Accessed at <https://www.greyhoundtrust.org.uk/> ("Our Site").

3.2 Once we have accepted your registration and set up your account and payment method in accordance with our Greyhound Trust Lottery Terms and Conditions, we will allot you a unique 5 digit number ("Your Lottery Number"). You do not need to choose your number. You will also be allotted a number for the rollover between 1 and 3 ("Rollover Number").

3.3 The Greyhound Trust Lottery is drawn once every month, on the 14th of each month or the next working day after the 14th ("Draw Date").

3.4 In order to participate in a particular Greyhound Trust Lottery draw, we must receive your payment in clear funds at least 24 hours before the relevant draw takes place. Direct debit takes up to 10 days to be set up from the date the request is presented to your bank, and so a direct debit would need to be presented to your bank at least 10 days before the draw.

3.5 Subject to paragraph 3.4 above, we will enter your lottery numbers into the next available Greyhound Trust Lottery draw and each subsequent Greyhound Trust Lottery draw.

4. WINNING

4.1 On the draw date, one of our random number generators will draw at random:

- (i) a 5 digit number (taken only from lottery numbers that we have allocated) for each of 1st, 2nd and 10 x 3rd prizes. This means that there will always be a winner of each prize; and
- (ii) a sixth number between 1 and 3 for the rollover draw.

4.2 If you win 1st prize and the sixth number matches your rollover Number, you will win the rollover too.

4.3 You can check the results of each Greyhound Trust Lottery draw at <https://www.greyhoundtrust.org.uk/> ("Our Site"). You will also be emailed the results every month. However, to make things simple for you, we already know if you are a winner and we will contact you to let you know and will pay any such winnings directly to you automatically.
